

Somaiya Vidyavihar

K J Somaiya College of Engineering

(A Self-financed Autonomous College Affiliated to University of Mumbai)

On behalf of K.J. Somaiya College of Engineering, I, Dr. Shubha Pandit, would like to extend my appreciation to Mr. Shranik Vora for his exceptional work as the Joint Sports Secretary of the Students' Council 2017-18. He, along with the Sports Secretary, headed the team which was responsible for the execution of various sporting activities throughout the year.

As a core committee member of the Organizing Committee for three national-level festivals, Abhyantriki 2017 (Technical Festival), Skream 2018 (Sports Festival) and Symphony 2018 (Cultural Festival), he led the sports team in putting in place an efficient sports management system in the institute. During his tenure, a streamlined process was developed to increase participation of college sports teams in various national-level tournaments. Extremely devoted and dynamic in nature, Shranik adopted an earnest and diligent approach towards carrying out his responsibilities of ensuring participation and ensuring smooth running of all the events during Skream 2018. At the same time, Shranik showed equal enthusiasm for intra-college sports events such as the Indoor and Outdoor Sports Shield.

In accordance with the responsibilities of an Organizing Committee member, Shranik established a friendly yet a professional bond between the administration and the Students' Council, also becoming a link between the sports teams of the college and the administration. He gave valuable and creative insights during planning and organising of the different events that took place. He displayed excellent decision making prowess in times of uncertainty and was a constant source of inspiration for all his colleagues.

He has worked with utmost dedication, adhering to the ethics of the college, and has set high benchmarks for his successors.

I wish him luck in all his future endeavors.

Sincerely,

Dr. Shubha Pandit,
Principal,
K.J. Somaiya College of Engineering,
Vidyavihar,
Mumbai - 400077.
